

Charles T. Tart Curriculum Vitae
[posted to Academia.edu on 10-24-17]

Last update 2/20/18

BORN: 1937, Pennsylvania, USA

POSITIONS: (* *Indicates current position as of 2013*)

Honorary Member, Scientific and Medical Network, London, 2018-
Fellow, Founding Member and Board Member, Academy for the Advancement of Post-materialist Sciences, 2016-
Associate Distinguished Professor, Integral and Transpersonal Psychology, California Institute of Integral Psychology, San Francisco.
Editor and Founder, SurvivalNet, an ongoing discussion among researchers about the evidence for postmortem survival and its interpretations, 1997-*.
Editor, **The Archives of Scientists' Transcendent Experiences (TASTE)**
(<http://psychology.ucdavis.edu/tart/taste/> or www.issc-taste.org), 1999-*.
Professor (now Emeritus) of Psychology, Core Faculty, Institute for Transpersonal Psychology (now Sofia University), Palo Alto, California, 1994-2012. Through 2014, then renamed Sofia University.
Distinguished Visiting Professor, Bigelow Chair of Consciousness Studies, University of Nevada, Las Vegas, 1997-1998.
Visiting Professor of East-West Psychology, California Institute of Integral Studies, San Francisco, 1994-1995.
Professor of Psychology, University of California, Davis, 1966-1994, Professor Emeritus 1994-*.
Senior Research Fellow, Institute for Noetic Sciences, Sausalito, California, 1987-1995.
Consultant, SRI International, 1978-79.
Instructor in Psychiatry, School of Medicine, University of Virginia, 1965-66.
Lecturer in Psychology, Stanford University, 1964-65.
Research Assistant, University of North Carolina, 1961.
Teaching Assistant, University of North Carolina, 1960-61.
Research Assistant, Psychophysiology Laboratory, Duke University, 1958-60.
Research Assistant, Round Table Foundation, Glen Cove, Maine, 1957.
Radio Engineer, First Class Commercial Radiotelephone License, Federal Communications Commission, various commercial broadcasting stations, 1955-59.

AWARDS:

United States Public Health Service Predoctoral Research Fellow, University of North Carolina, 1961-63.
United States Public Health Service Postdoctoral Research Fellow, Department of Psychology, Stanford University, 1963-65.
Magnar Ronning Award for Excellence in Teaching, University of California at Davis, 1990.
The International Society for the Study of Subtle Energies and Energy Medicine, 1994
Elmer and Alyce Green Award for Excellence to Charles T. Tart for his life-long

dedication to bridge building and for his pioneering efforts in subtle energies research.

Coalition of Visionary Retailers 1998 Visionary Award to Hampton Roads Publishing for Charles T. Tart's *Body Mind Spirit: Exploring the Parapsychology of Spirituality* book, Runner Up.

Outstanding Career Award, Parapsychological Association, 1999.

Distinguished Contributions to Scientific Hypnosis award, American Psychological Association, Division 30, 2000.

The Science Social Innovations Award for 2000 for Charles Tart's The Archives of Scientists' Transcendent Experiences (TASTE) (www.issc-taste.org) project from The Institute for Social Inventions.

Best Poster Presentation: *Reflections on enlightenment and spiritual growth*. University of Arizona, Tucson: 6th "Toward A Science of Consciousness" conference. April 8, 2004.

Abraham H. Maslow Award for outstanding contributions to the profession and practice of Humanistic Psychology. Division 32, Humanistic Psychology, American Psychological Association, Honolulu, July 30, 2004.

Charles Honorton Integrative Contributions Award, Parapsychological Association, University of Winchester, Winchester England, 2008.

EDUCATION:

Ph.D., Psychology, University of North Carolina, 1963.

M.A., Psychology, University of North Carolina, 1962.

B.A., Psychology, University of North Carolina, 1960.

Electrical Engineering studies, Massachusetts Institute of Technology, 1955-57.

Aikido Shodan (black belt), Japanese Cultural Arts Center, Berkeley, California, 1987.

PROFESSIONAL AND EDUCATIONAL ORGANIZATIONS¹:

Academy for the Advancement of a Postmaterialist Science (Board of Advisors)

Academy of Spirituality and Paranormal Studies (was Academy of Religion and Psychical Research) (Advisory Council)*

Albert Hoffman Foundation (Board of Advisors)*

American Association for the Advancement of Science

American Society of Clinical Hypnosis (Fellow)

American Society for Psychical Research

Association for Humanistic Psychology (Vice-President-Elect)

California Institute for Transpersonal Psychology (Board of Advisors)

Center for the Study of Personality and Spirituality (Board of Advisors)*

Forge Guild of Spiritual Teachers and Leaders

Forum for Correspondence and Contact (Fellow)*

Hartley Film Foundation, Advisory Board

Human Nature, Advisory Board

¹ Both past and current memberships.

International Association for Near-Death Studies*
 International Institute of Integral Human Sciences (Fellow)
 International Society for the Study of Subtle Energy and Energy Medicine (ISSSEEM)
 (President, 2010)
 International Transpersonal Center (Advisory Board)*
 Monroe Institute, Advisor (Emeritus)
 Multidisciplinary Association for Psychedelic Studies*
 New Dimensions Foundation (Board of Advisors)
 Rhine Research Center (Board of Advisors)
 Rim Institute (Board of Advisors, Emeritus)
 Parapsychological Association (President, Secretary, Treasurer and Council Member)*
 Society for Clinical and Experimental Hypnosis (Fellow)
 Society for Scientific Exploration*
 Sigma Chi National Scientific Society

SPECIALTY CERTIFICATION:

Diplomate in Experimental Hypnosis, American Board of Examiners in Psychological Hypnosis

EDITORIAL BOARDS:

Alterations in Awareness and Human Potentialities Annual
Alternative Therapies in Health and Medicine
*Journal of Indian Psychology**
*Journal of Mental Imagery**
*Journal of the Association for Music and Imagery**
*Journal of the Psychology of Religion**
*Journal of Transpersonal Psychology**
New Realities
Psychoenergetic Systems: An International Journal
ReVision Journal
*The Transpersonal Institute, Moscow**
*The Transpersonal Review**
*Transpersonal Psychology Review (British Psychological Society)**
Zetetic Scholar

The Secret Science of the Soul: How Evidence of the Paranormal is Bringing Science and Spirit Together. Napa, California: Fearless Books, 2017. [Paperback version of *The End of Materialism*]

AUDIO TAPES:

The transpersonal: Interesting illusion or fact? Dolphin Tapes, P. O. Box 71, Big Sur, CA 93920.

The parapsychology of death and dying. Searchlight Seminars, No. C-1, P. O. Box 5552, Walnut Creek, CA 94596.

Altered states of consciousness (entire book by that name). Recordings for the Blind, Palo Alto, California.

Scientific foundations of psychical research. Searchlight Seminars, No. C-11, P. O. Box 5552, Walnut Creek, CA 94596.

Beyond the mechanical mind. Australian Broadcasting Commission, S29366, distributed by Jeffrey Norton, Publishers, 145 E. 49th St., New York, NY 10017. (with Green, E., Cohen, A., et al.)

Assumptions of western psychology. Proseminar, San Francisco, CA 94133.

Parapsychology of death and dying. Proseminar, San Francisco, CA 94133.

Science and spiritual growth. Proseminar, San Francisco, CA 94133.

Transpersonal experiences. Proseminar, San Francisco, CA 94133.

Beyond ego. Proseminar, San Francisco, CA 94133.

Diving into the pool of consciousness. New Dimensions, No. 1646, San Francisco, California. (with Hastings, A.)

Powers of perception. New Dimensions, No. 1637, San Francisco, California.

The Gurdjieff tradition. New Dimensions, No. 1133, San Francisco, California. (with Bennett, W., DeRopp, R., and Speeth, K.)

States of consciousness. New Dimensions, No. 1072, San Francisco, California.

Drugs and the mind. New Dimensions, No. 1055, San Francisco, California. (with DeRopp, R., Metzner, R., Levinson, E., Naranjo, C., Brand, S., Leary, T., & Alpert, R.)

Making the vision real: Maps of consciousness. New Dimensions, No. 1498, San Francisco, California.

Gurdjieff: The enigma/the message. New Dimensions, No. 1617, San Francisco, California. (with Naranjo, C., & Speeth, K.)

- Parapsychology: A practical science. New Dimensions, San Francisco, California. (with Grosso, M., & Atkinson, P.)
- Rediscovering your human potential. Psychology Today, No. 20282.
- Revitalizing through awareness enhancement training. Psychology Today.
- Parapsychology and the near-death experience. Searchlight Seminars, No. C-180.
- Transpersonal qualities of mind and being. Institute of Noetic Sciences, No. AN-013, Sausalito, California.
- The human mind: An operator's manual. Institute of Noetic Sciences, No. AN-044, Sausalito, California.
- Awareness, illusion and reality. Institute of Noetic Sciences, No. AN-051, Sausalito, California.
- Beyond the brain. Institute of Noetic Sciences, No. AN-052, Sausalito, California.
- Parapsychology: A science whose time has come. Institute of Noetic Sciences, No. AN-053, Sausalito, California.
- Musical body activation exercise. Institute of Noetic Sciences, No. AN-054, Sausalito, California. (with Geist)
- The strange and fascinating world of parapsychology. Institute of Noetic Sciences, No. AN-055, Sausalito, California.
- Hidden shackles: The assumptions of western psychology. Institute of Noetic Sciences, No. AN-056, Sausalito, California.
- Science and spirit: The psychic realm. San Francisco: New Dimensions Radio, #1912, 1984. Charles T. Tart & Arthur Hastings.
- The psychology of psychic experiences and the integration of them into everyday life. Sound Photosynthesis, Mill Valley, California, 1986, #0143-86.
- How to use your psychic talents. Los Angeles: Audio Renaissance, 1989.
- On the fear of the paranormal. Minneapolis, Minnesota: Archaeus Project, #AP-4.
- Our fear of psychic abilities. Big Sur, California: Big Sur Tapes, tape # 05201.
- On the paranormal. Big Sur, California: Big Sur Tapes, tape # 05202.
- The spiritual path for the scientifically handicapped Tape 6 in the series Transpersonal Psychology: Harnessing Spirit, Mind and Science. #F005. Boulder, Colorado: The Sounds True Catalog.
- Mindlessness or Mindfulness: Samsara or Awakening? Berkeley, California: New Medicine Tapes, #NMT-08.
- The Tibetan Book of Living and Dying. Berkeley, California: Audio Literature, 1993. With Sogyal Rinpoche, Lisa Brewer and Michael Toms.
- Who might survive the death of the body? You? Who are you? Berkeley, California: Conference Recording Services, tape # INS94-008.
- Can there be life before death? Berkeley, California: Conference Recording Services, tape # INS94-060.
- Imagination as curse, imagination as blessing: Mindfulness and creativity in everyday life. Berkeley, California: Conference Recording Services, tape # ATP95 028.
- Meditation and hypnosis: Similarities, differences and what it means practically. 2001 International Conference on Science and Consciousness, tape 18, The Message Company, 4 Camino Azul, Santa Fe NM 87505.

VIDEOTAPES:

- Waking up. Thinking Allowed: Conversations on the Leading Edge of Knowledge and Discovery Series, #S020. San Rafael, California: Spectrum Foundation, 315 Third St #161.
- Understanding extrasensory perception. Thinking Allowed: Conversations on the Leading Edge of Knowledge and Discovery Series, #S270. San Rafael, California: Spectrum Foundation, 315 Third St #161.
- Science and spiritual traditions. Thinking Allowed: Conversations on the Leading Edge of Knowledge and Discovery Series, #S020. San Rafael, California: Spectrum Foundation, 315 Third St #161.
- Self-Observation. Thinking Allowed: Conversations on the Leading Edge of Knowledge and Discovery Series, #S117. San Rafael, California: Spectrum Foundation, 315 Third St #161.
- Mindfulness in meditation. Thinking Allowed: Conversations on the Leading Edge of Knowledge and Discovery Series, # . San Rafael, California: Spectrum Foundation, 315 Third St.
- Effects of electrical shielding and geomagnetic factors on ESP performance. Minneapolis, Minnesota: Archaeus Project Tape # FA-18.
- Cultivating the intelligence of the body in a martial arts traditions. Minneapolis, Minnesota: Archaeus Project Tape # FA-18. (Charles T. Tart & Judith A. Tart)
- Meditation and hypnosis: Similarities, differences and what it means practically. 2001 International Conference on Science and Consciousness, tape 18, The Message Company, 4 Camino Azul, Santa Fe NM 87505.

ARTICLES, CHAPTERS, LETTERS, AND REVIEWS²:**1962**

Frequency of dream recall and some personality measures. *Journal of Consulting Psychology*, 26, 467-470.

1963

Hypnotic depth and basal skin resistance. *International Journal of Clinical and Experimental Hypnosis*, 1, 81-92.

Physiological correlates of psi cognition. *International Journal of Parapsychology*, 5, 375-386.

1964

A possible "psychic" dream, with some speculations on the nature of such dreams. *Journal of the Society for Psychical Research*, 42, 283-298.

The influence of the experimental situation in hypnosis and dream research: A case report. *American Journal of Clinical Hypnosis*, 7, 163-170.

A comparison of suggested dreams occurring in hypnosis and sleep. *International Journal of Clinical and Experimental Hypnosis*, 12, 263-289.

Psychedelics on the path: Help or hindrance? In Badiner, A. & Grey, A. (Eds.), *Zig Zag Zen: Buddhism and Psychedelics*. Second edition. Santa Fe. Synergetic Books. Pp. 160-166.

2016

Some reflections on parapsychology, stimulated by the publication of a new *Handbook of Parapsychology*. *Journal of Scientific Exploration*, 30, No. 1, 400-409.

Meditation: Some kind of (self-)hypnosis? In A. Raz & M. Lifshitz (Eds.), *Hypnosis and Meditation: Towards an Integrative Science of Conscious Planes*. Oxford: Oxford University Press. Pp. 143-170.

2017

The Secret Science of the Soul: How Evidence of the Paranormal is Bringing Science and Spirit Together. Napa, California: Fearless Books, 2017. [Paperback version of *The End of Materialism*]

On the resurrection of trans-temporal inhibition. *Journal of Scientific Exploration*, 31, No. 1, 29-48.

More corrections to *Phenomena: A Brief History of the U.S. Government's Investigations into Extrasensory Perception and Psychokinesis*. *Journal of Scientific Exploration*, 31, 2, 312-315.

2019

On the potential role of psi in an expanded science of the physical, experiential and spiritual. *Journal of Scientific Exploration*, 33, 3, 359-405.

Papers Presented at Scientific and Educational Meetings:

1962

An optical plethysmograph. *Association Psychophysiological Study of Sleep, Chicago.*

1963

A comparison of suggested dreams occurring in hypnosis and sleep. *Association Psychophysiological Study of Sleep, New York.*

Use of strain gauges to measure rapid eye movements in hypnosis and sleep. *Association Psychophysiological Study of Sleep, New York.*

1964

Hypnotic dreams. *Association Psychophysiological Study of Sleep, Palo Alto.*

Hypnotic suggestion as a technique for the control of dreaming. *American Psychological Association, Los Angeles.*

Models for the explanation of extrasensory perception. *UCLA Symposium on Extrasensory Perception, Los Angeles.*

1965

The hypnotic dream: Methodological problems and a review of the literature. *Association Psychophysiological Study of Sleep, Washington.*

Psychophysiological studies of out-of-the-body experiences. *Parapsychology Association, New York.*

Card guessing tests: Learning paradigm or extinction paradigm? *Parapsychology Association, New York.*

Token object studies with the psychic, Peter Hurkos. *Parapsychology Association, New York. (Tart, C., & Smith, J.)*

1966

Three studies of hypnotic dreams. *Association Psychophysiological Study of Sleep, Gainesville.*

Spontaneous thought and imagery in the hypnotic state: Psychophysiological correlates. *American Psychological Association, New York.*

Current research with ESPATESTER. *Parapsychology Association, New York.*

Electroencephalographic patterns during out-of-the-body experiences. *Parapsychology Association, New York.*

Out-of-the-body experiences. *American Society for Psychical Research, New York.*

1967

Hypnosis, psychedelics, and psi: Conceptual models. *Second International Conference on Hypnosis, Drugs, and Psi Induction. St. Paul de Vence, France.*

Psychedelic experiences associated with a novel hypnotic procedure, mutual hypnosis. *Second International Conference on Hypnosis, Drugs, and Psi Induction, St. Paul de Vence, France.*

Research activity by members of the Parapsychological Association over the past decade. *Parapsychology Association, New York.*

Token object studies with two California psychics. *Parapsychology Association, New York.*
 On influencing dream content. *Conference on Dream Psychology and the New Biology of Dreaming, Cincinnati.*

1968

Self-report scales of hypnotic depth. *Society Clinical and Experimental Hypnosis, Chicago.*
 Further studies of the influence of posthypnotic suggestion on stage 1 dream content and rapid eye movement. *Society Clinical and Experimental Hypnosis, Chicago.*
 Some methodological notes on the scientific investigation of altered states of consciousness and psi phenomena. *Conference on Methods for Inducing and Studying Psi-favorable States of Consciousness. St. Paul de Vence, France.*

1969

The posthypnotic dream: Nature of the effect and individual differences. *Association Psychophysiological Study of Sleep, Boston.*
 Hypnosis: Past, present, and prospects. *American Association Humanistic Psychology, Washington, DC.*
 A third psychophysiological study of out-of-the-body experiences in a gifted subject. *Parapsychology Association, New York.*
 Three studies of EEG alpha feedback. *Biofeedback Society, Santa Monica, California.*
 Out-of-the-body travel. *American Association Humanistic Psychology, Washington, DC.*

1970

Marijuana intoxication: Common experiential effects. *Langley-Porter Neuropsychiatric Institute, San Francisco.*
 Learning to use ESP. *American Society for Psychological Research, New York.*
 Hypnosis: Where it's been, where it's at, and where it could go. *Washington University, St. Louis.*
 Out-of-the-body experiences: The "flight of the soul." *University of Oregon, Eugene.*
 Marijuana intoxication: Reported effects on sleep and dreams. *Association Psychophysiological Study of Sleep, Santa Fe, NM.*
 Basic phenomenology of marijuana intoxication. *Johns Hopkins University School of Medicine, Baltimore.*
 A theoretical model for states of consciousness. *Menninger Foundation Conference on the Voluntary Control of Internal States, Council Grove, Kansas.*
 On the human "aura." *International Conference on Exploring the Energy Fields of Man. Wainwright House, Rye, NY.*
 Methodological problems in the study of marijuana intoxication. *Fed. American Society Experimental. Biology. Invitational Conference on the Biomedical Effects of Marijuana on Man in the Military Environment, Bethesda, MD.*

1971

On the scientific study of states of consciousness: Toward an expanded methodology and the development of state-specific sciences. *Menninger Foundation, Third Annual Conference on the Voluntary Control of Internal States, Council Grove, Kansas.*
 On the reality of "non-ordinary" reality. *Menninger Foundation, Third Annual Conference on the Voluntary Control of Internal States, Council Grove, Kansas.*

Unusual sleep states: A case study of so-called "out-of-the-body" experiences. *Association for the Psychophysiological Study of Sleep, Bruges, Belgium.*
 Concerning the scientific study of the human aura. *Esalen Institute Invitational Conference on Human Energy Fields, Big Sur, California.*

1972

Altered states of consciousness. *National Drug Abuse Training Center, Hayward, California.*
 Science and non-ordinary reality. *Stanford University Science Fiction Institute, Palo Alto, California.*
 On being stoned: The psychological effects of marijuana. *University of California Medical School, Sacramento.*
 Altered states of consciousness. *Neuropsychiatric Institute, University of California, Los Angeles.*
 Science and altered states of consciousness. *University of British Columbia, Vancouver, Canada.*

1973

Critical methodology in the study of postulated human energy fields. *Council Grove Conference on Voluntary Control of Internal States, Menninger Foundation, Kansas.*
 The nature of altered states of consciousness. *Drug Abuse Education Conference, University of Southern California, Los Angeles.*
 On the nature of altered states of consciousness, with special reference to parapsychological phenomena. *Invited address, Parapsychology Association, University of Virginia, Charlottesville.*
 Some methodological problems in OOBE research: Comments on the symposium. *Parapsychology Association, University of Virginia, Charlottesville.*

1974

Discrete states of consciousness. *American Association Advancement of Science, San Francisco.*
 States of consciousness. *Northern Arizona University, Flagstaff.*
 Science and religion: Compatible or incompatible? *Academy for Religion and Parapsychology, Claremont, California.*
 The basic nature of altered states of consciousness: A systems approach. *American Academy of Psychoanalysis, Detroit.*
 States of consciousness. *University of California, Los Angeles.*
 Suppose some of it is real? Paranormal phenomena as fundamental factors in understanding the role of religion. *Conference on the Changing Role of Religion in Modern Society, Center for the Study of Democratic Institutions, Santa Barbara, California.*
 States of consciousness. *New York University, New York City.*
 Beyond consensus reality: Psychotherapy, altered states of consciousness, and the cultivation of awareness. *Conference on the Future of Psychotherapy, Johns Hopkins University, Baltimore.*
 Science and spiritual growth. *Human Dimensions Institute, Buffalo, NY.*
 Out-of-the-body experiences. *University of Colorado, Denver.*
 Parapsychology. *University of California, Berkeley.*
 Out-of-the-body experiences. *California State University, Hayward.*

Science and spiritual growth. *University of California, Los Angeles.*
 Out-of-the-body experiences. *University of California, Los Angeles.*
 Current research on extrasensory perception. *Esalen Institute, San Francisco.*
 Altered states of consciousness. *New York University, New York.*
 Consciousness and the paranormal. *New York University, New York.*
 Expanding human consciousness. *California State University, Fresno.*

1975

On the experience of leaving the body. *American Association of University Women, Sacramento, California.*
 Consciousness: The paranormal dimension. *University of California, Irvine.*
 The nature of consciousness. *University of Nebraska, School of Medicine, Omaha.*
 Discrete states of consciousness. *Drug Abuse Council Invitational Conference, Washington, DC.*
 States of consciousness and new directions in science. *International Congress on the Psychology of Consciousness and Suggestology, Pepperdine University, Los Angeles.*
 Art and science: Approaches to knowledge. *Esalen Institute, Big Sur, California.*
 Out-of-the-body experiences. *Australian Broadcasting Commission National Program.*
 Effects of immediate feedback on ESP performance. *Parapsychology Association, Santa Barbara.*
 ADEPT: A state-of-the-art ESP training machine. *Parapsychology Association, Santa Barbara, California. (Redington, D., & Tart, C.)*
 A serial selection procedure for finding talented ESP subjects. *Parapsychology Association, Santa Barbara. (Tart, C., & Redington, D.)*
 Can we make ESP reliable and repeatable? *Invited address, American Psychological Association, Chicago.*
 States of consciousness. *Diablo Valley College, California.*
 The application of learning theory to extrasensory perception. *Institute for the Study of Consciousness, Berkeley, California.*
 Current research on teaching ESP ability. *Neurosciences Society, California State University, San Francisco.*
 Teaching ESP ability. *Donner Laboratories, University of California, Berkeley.*

1976

A Western understanding of states of consciousness. *Nyingma Institute, Berkeley, California.*
 Conversations about consciousness. *Cultural Integration Fellowship, San Francisco.*
 The parapsychology of death and dying. *John F. Kennedy University, Orinda, California.*
 The limits of ordinary consciousness. *Santa Barbara City College, Santa Barbara, California.*
 The nature of states of consciousness. *California Institute of Transpersonal Psychology, Palo Alto, California.*
 On the nature of altered states of consciousness. *Texas Christian University, Forth Worth, TX.*
 Parapsychological studies of death and dying. *Richland College, Dallas, TX.*
 Healing and self-control can lead beyond what? The limited reality of everyday life. *University of Santa Clara, Santa Clara, California.*
 Altered states of consciousness. *Butte College, Chico, California.*

- The psychic realm: Sense and nonsense. *Preconference workshop at the annual meeting of the Association for Transpersonal Psychology. Asilomar, California.*
- Award dinner remarks, *Southern California. Society for Psychical Research, Los Angeles. Presentation of annual award for research contribution to parapsychology to Professor Tart.*

Seminar on the interfaces between psychology and spirituality, with Pir Vilayat Khan and John Welwood. *Omega Institute, Rhinebeck, NY.*

The meaning of life: Values in science and transpersonal psychology. *Invited address, American Psychological Association, annual meeting, Los Angeles.*

On the fear of psi. *Invitational conference on cutting edge issues in life energies research, Archaeus Foundation, Minneapolis, MN.*

What is self? *Invitational conference on the Nature of Personal Identity. Esalen Institute, Big Sur, California.*

The Dorothy Lyddon Lecture in Contemporary Humanities: Values to live by: The hidden side of contemporary science and the transpersonal alternative. Scripps College, Claremont, California.

Training psi abilities. *Invitational conference on Enhancing Psychic Functioning in Parapsychological Research Esalen Institute, Big Sur, California.*

Differences in results of pre-cognitive time versus real time experiments. *Society for Scientific Exploration, Stanford University, Palo Alto, California.*

Documentary on Dr. Tart's ESP research, *Evening News Magazine, Channel 5, San Francisco.*

Discussion of psychological growth techniques, *KCBS Infinity Program, San Francisco.*

Beyond death. *Comments in television news documentary, Evening News Magazine, Channel 5, San Francisco.*

Documentary on Dr. Tart's laboratory research on training ESP abilities. *Channel 13, Sacramento, California.*

Invitational conference on cutting edge issues in life energies research. *Archaeus Foundation, Minneapolis, Minnesota.*

1984

Personal growth in a crazy world: A weekend with Charles T. Tart. *Weekend seminar. University Extension, University of California, Irvine.*

The psychic and the scientific: What do we know? *Weekend seminar. University Extension, University of California, Santa Cruz.*

Preliminary confirmation of the effects of electromagnetic shielding in enhancing telepathic communication. *Second Invitational Conference on the Nature of Subtle Energies. Esalen Institute, Big Sur, California.*

Lucid dreaming: Possibilities for a state-specific science. *Panel presentation, Association for the Study of Dreams, San Francisco.*

Fear of psi: Hidden factors. *Invitational conference on the Psychology of Psi. Esalen Institute, Big Sur, California.*

Comments on practical applications of Psi. *Invitational conference on applications of psychic abilities. Esalen Institute, Big Sur, California.*

Altered states of consciousness and the search for enlightenment: A mostly scientific perspective. *Conference on Buddhism and Western Science, Amherst College, Amherst Massachusetts.*

1985

Psychological reflections on the Fourth Way. *Workshop, Melia Foundation, Berkeley, California.*

Introduction to parapsychology. *Workshop, University of Humanistic Studies, San Diego, California.*

- The game of games. *Association for the Anthropological Study of Consciousness, first annual meeting. Menlo Park, California.*
- Invited lecture, Extrasensory perception. Arizona State University chapter of Sigma Xi, The Research Society of North America.*
- Workshop, Contemporary parapsychology. Melia Foundation, Berkeley, California.*
- Stopping on a hit: Preliminary studies of method of producing positive experiences in the parapsychology laboratory. *Parapsychology Association, Medford University, Medford, Massachusetts.*
- Attitudes toward strongly functioning Psi: A preliminary survey. *Parapsychology Association, Medford University, Medford, Massachusetts. (Tart, C., & LaBore, C. M.)*
- Psychics' fears of psychic powers. *Parapsychology Association, Medford University, Medford, Massachusetts.*
- Radio program, Altered states of consciousness and enlightenment. Shared Visions, Berkeley, California.*
- Science and the spiritual. *First Unitarian Church of Berkeley, Kensington, California.*
- Transpersonal psychology. *Young Women's Christian Association, Reno, NV.*
- Workshop, Introduction to the Fourth Way, Joy Lake Community, Reno, NV.*
- Workshop, Introduction to the Fourth Way, Esalen Institute, Big Sur, California.*
- Workshop, Introduction to the Fourth Way. Omega Institute, Rhinebeck, NY.*
- Current developments in parapsychology. *Department of Applied Sciences, University of California, Davis.*

1986

- Effects of shielding and geomagnetic activity of psychic functioning. *Paper presented to First Archaeus Congress, Santa Fe, New Mexico.*
- Aikido and mind-body relationships. *Paper and demonstration to the First Archaeus Congress, Santa Fe, New Mexico. (Tart, C. T. & Tart, J.)*
- Altered states of consciousness and the possibility of survival of death. *Santa Barbara City College, Santa Barbara, California.*
- Consciousness explored. *California School of Professional Psychology, Berkeley, California.*
- From the physical to the psychic to the spiritual. *Mind Race Seminar, John F. Kennedy University, San Francisco.*
- Effects of electrical shielding on GESP performance. *Society for Scientific Exploration, San Francisco.*
- Geomagnetic effects in a GESP test are altered by electrical shielding. *Society for Scientific Exploration, San Francisco.*
- Effects of electrical shielding on GESP performance. *Parapsychology Association, Sonoma State University, Rohnert Park, California.*
- On the scientific study of "other worlds." *Parapsychology Association, Sonoma State University, Rohnert Park, California.*
- On the mental health of parapsychology and parapsychologists. *Parapsychology Association, Sonoma State University, Rohnert Park, California.*
- Psychological comments on the phenomenon of channeling. *Parapsychology Association, Sonoma State University, Rohnert Park, California.*
- Psychological resistance in research on channeling. *Parapsychology Association, Sonoma State University, Rohnert Park, California.*

Geomagnetic effects in a GESP test are altered by electrical shielding. *Parapsychology Association, Sonoma State University, Rohnert Park, California.*

Truth and illusion on the spiritual path. *Twelfth annual Yoga Research Society Conference, Philadelphia.*

Enlightenment, altered states of consciousness, and parapsychology. *Thirty-fifth annual conference of the Parapsychology Foundation, Parapsychology and the Nature of Man.*

Truth and illusion on the spiritual path. *Melia Foundation, Berkeley, California.*

1987

Waking up from consensus trance. *Esalen Institute Invited Conference on Science, Society and the Transpersonal, Big Sur, California.*

Spiritual emergence in a scientific world. *Spiritual Emergency Network, Institute of Transpersonal Psychology, Menlo Park, California.*

Electrical shielding, ESP and earth's magnetic field. *International Conference on Energy Medicine, Madras Institute of Magnetobiology, Madras, India.*

States of consciousness and psychic awareness. *California Society for Psychical Study, Berkeley, California.*

Waking up: Beyond the leading edge. *WMEL, Gaithersburg, Maryland.*

Aspects of parapsychology. *The Fred Fiske Show, WMAT, Washington, DC.*

Current research developments in parapsychology. *Office of Congressional Research, Library of Congress, Washington, DC.*

Illusory aspects of ordinary life. *Voice of America, Washington, DC.*

The human mind: An operator's manual. *Institute of Noetic Sciences, Washington, DC.*

The scientist and the psychic: How can we learn from each other? *Second Esalen Institute Invited Conference on Intuitive Functioning, Big Sur, California.*

Spirituality, psychedelics and the summer of love. *The Michael Krasny Show, KGO, San Francisco.*

Faith, doubt, consensus trance, and waking up. *Keynote Address, Association for Transpersonal Psychology, Asilomar, California.*

Weekend Intensive on awakening. *Rim Institute, Phoenix, AZ.*

Mindfulness, mindlessness, meditation and the psychopathology of everyday life. *Psychiatry Ground Rounds, Sutter Memorial Hospital, University of California School of Medicine, Sacramento, California.*

World peace and inner peace. *Interview on Radio for Peace, Costa Rico.*

Mindlessness, mindfulness, meditation and the psychopathology of everyday life. *Institute for the Study of Consciousness, Berkeley, California.*

Mindfulness. *Council Grove Conference, Menninger Foundation Voluntary Controls Program, Council Grove, Kansas.*

An inquiry into channeling. *Esalen Institute, Big Sur, California. Co-led with Arthur Hastings and Helen Palmer.*

1988

Mindlessness and mindfulness in daytime and nighttime dreaming. *Invited address, Association for the Study of Dreams, at University of California, Santa Cruz.*

Awakening to higher consciousness. *Combined meeting of the Australian Institute of Transpersonal Psychology, and the Australian Institute for Parapsychological Research, Sydney.*

Contemporary psychological reflections of the concepts of mindlessness and mindfulness. *Psychology Department, University of Sydney, Sydney, Australia.*

State-Specific sciences: The basic concept and contemporary developments. *Centre for Human Aspects of Science and Technology, University of Sydney, Sydney, Australia.*

On altered states of consciousness and human progress. *University of New England, Armidale, Australia.*

Lectures on human consciousness. *Turiya Yoga Society, Hervey Bay, Queensland, Australia.*

Mindlessness or mindfulness, samsara or awakening? *Invited address, International Transpersonal Association fifth international congress, Santa Rosa, California.*

Problems with psychic functioning. *International Transpersonal Association fifth international congress, Santa Rosa, California.*

On being psychic. *California Society for Psychical Study conference, Dominican College, San Rafael, California.*

Self-observation. *University of California at San Francisco, California.*

1989

Mindfulness and mindlessness. *Grand Rounds, School of Public Health, University of California, San Francisco, California.*

Extrasensory perception: fact and fantasy. *Picnic Day Invited Address, University of California, Davis California.*

Waking up: meditation and mindfulness. *Pediatric Grand Rounds, University of California Medical School, Sacramento, California.*

Mindfulness tools. *Whole Life Exposition, San Francisco, California.*

Mindfulness. *University of California Santa Cruz Extension Division, Santa Clara, California.*

Waking Up: Mindfulness practices for waking up from the trance of everyday life. *Association for Humanistic Psychology, Stanford University, Stanford, California.*

Attentional training: Prospects and possibilities. *Institute of Noetic Sciences and Esalen Institute invitational conference on New Directions in Meditation Research. Big Sur, California.*

An evening with Charles Tart. *Spiritual Emergence Network, Institute for Transpersonal Psychology, Menlo Park, California.*

The world simulation process: altered states, suffering and liberation. *Grof Holotropic Training Workshop, Geyserville, California.*

1990

Mindfulness. *University for Humanistic Studies, Del Mar, California.*

Workshop on waking up. *Organization Effectiveness Department, Dupont-Conoco, Houston, Texas.*

Strategic thinking and planning. *USDA Forest Service Training Conference, San Jose, California.*

Mindfulness and mindlessness. *Department of Psychiatry and Human Behavior, University of California, Irvine.*

A humanities conference for educators, with Charles Tart. *Grinnel College, Grinnel, Iowa.*

Mindfulness. *University of California Santa Cruz Extension, Santa Clara, California.*

Some Fundamental Perspectives on Religion and Philosophy Provided by Modern Parapsychology. *Santa Barbara, California, sponsored by Center For Process Studies, Claremont Graduate School, Claremont, California.*

Altered states. *Transcendent Explorers television program, various channels.*

Waking up. *Transcendent Explorers television program, various channels.*

Open mind. *Transcendent Explorers television program, various channels.*

Life in the world simulator: Altered states, identification, multiple personality and enlightenment. *Invited address, Seventh International Conference of Multiple Personality/Dissociative States, November 7-11, Chicago.*

1991

Open mind, discriminating mind: Reflections on human possibilities. *Santa Barbara Community College, Santa Barbara, California.*

Observations on current trends in consciousness research. *The Bridge Conference, Stanford University, Stanford California, February 2, 1991.*

Computer generated virtual reality: A new model for transpersonal psychology. *Institute for Transpersonal Psychology, Menlo Park, California.*

Virtual reality, consciousness and meditation. *Third Institute of Noetic Sciences/Esalen Institute invitational conference on Meditation Research, Big Sur, California.*

The embodied mind: Parapsychology, altered states of consciousness and healing. *Dynamics of Healing Conference, American Society for Psychical Research, San Francisco, May 5, 1991.*

Discussion of waking up. *MENSA, San Mateo, California, May 18, 1991.*

Observations on parapsychological research. *John F. Kennedy University, Orinda, California*

Mindfulness. *University of California Santa Cruz Extension, July 13.*

Potential implications and applications of computer-generated virtual reality for psychology and parapsychology. *Parapsychological Association, Heidelberg, August 8.*

Marijuana, psi and mystical experiences. *Parapsychological Association, Heidelberg, August 10.*

Waking from the trance of everyday life. *Whole Life Exposition, San Jose, California, September 14.*

Beginning to awaken. *Whole Life Exposition, San Jose, California, September 14.*

Virtual reality: A new model for psychology. *Psychology Department, University of California Davis, October 24, 1991.*

Mind embodied: Computer-generated virtual reality as a new dualistic-interactive model for transpersonal psychology. *L. E. Rhine Centenary Conference on Cultivating Consciousness for Enhancing Human Potential, Wellness and Healing, Durham, North Carolina, November 9, 1991.*

Developing mindfulness in everyday life. *Rigpa Fellowship, Berkeley, California, Oct. 27, 28, Nov. 4, 11, 1991.*

1992

Toward understanding consciousness and altered states of consciousness. *California Institute of Integral Studies conference on Altered States of Consciousness: Past, Present and Future. San Francisco, Feb 29-Mar 1, 1992.*

Enlightenment and endarkenment. *Unity of the Palm Beaches, West Palm Beach, Florida, March 22.*

- Mental health, the "New Age," and transpersonal psychology. *Mental Health Association of Sacramento, Sacramento, California May 26, 1992.*
- An introduction to the spiritual path for the "scientifically handicapped." *International Transpersonal Association conference, Prague, Czechoslovakia, June 22, 1992.*
- Models of the mind: Virtual reality and transpersonal psychology. *Society for Psychological Research, London, England, June 26, 1992.*
- Transpersonal psychology. *KAZU Listener Supported Radio, Monterey, California, August 20, 1992.*
- Spiritual paths and altered states. *With K. Speeth & D. Steindal-Rast. Association for Transpersonal Psychology, 20th Annual Conference, Asilomar, California, August 29, 1992.*
- Virtual reality: A new model for transpersonal theory and action. *Association for Transpersonal Psychology, 20th Annual Conference, Asilomar, California, August 29, 1992.*
- Cultivating mindfulness. *Esalen Institute, Big Sur, California, November 6-8.*

1993

- Consciousness: A psychological, transpersonal and parapsychological approach. *Third International Symposium Science and Consciousness, Olympia, Greece, 1-7 January 1993.*
- Introduction to spiritual growth in a desperate but scientific and skeptical time. *North Carolina State University, Raleigh, March 22, 1993.*
- Thoughts on death, post-mortem survival and the process of dying. *Institute of Noetic Sciences Consciousness Research Circle, Berkeley, April 18, 1993.*
- Where science and spirituality meet: Introduction to the spiritual path for the scientifically handicapped/talented. *Institute of Noetic Sciences Davis Study Group, Unitarian Church, April 29, 1993, Davis California.*
- Meditation and preparation for death. *Fifth Invitational Conference on New Directions in Meditation Research, Institute of Noetic Sciences and Esalen Institute, Big Sur, California, May 6, 1993.*
- Reflections on psychology and the spiritual path. *Rigpa Fellowship, Berkeley, California, May 21, 1993.*
- The human mind: Survival after death?. *International Conference on Healing: Beyond Suffering or Death, Montreal, June 22, 1993.*
- Modified states of consciousness, a path of integration. *International Conference on Healing: Beyond Suffering or Death, Montreal, June 22, 1993.*
- Near-death experiences. *International Conference on Healing: Beyond Suffering or Death, Montreal, June 22, 1993.*
- Mindfulness. *University of California Santa Cruz Extension, August 17, 1993.*
- Developing mindfulness in everyday life. *Twenty fifth annual meeting of the Association for Transpersonal Psychology, Asilomar, California, August 26, 1993.*
- The future of transpersonal psychology. *Twenty fifth annual meeting of the Association for Transpersonal Psychology, Asilomar, California, August 26, 1993.*
- The future of altered states of consciousness. *Twenty fifth annual meeting of the Association for Transpersonal Psychology, Asilomar, California, August 26, 1993.*
- World Parliament of superstition? Scientific evidence for a basic reality to the spiritual. *Second World Parliament of Religion, Chicago, September 3, 1993.*

1994

- Scientific perspectives on the psychic and spiritual aspects of human nature. *Napa State Hospital, Continuing Medical Education Series, February 2.*
- Developing mindfulness in everyday life. *Esalen Institute, Big Sur, California, February 18-20.*
- Beliefs, connections, consciousness. *Earth and Soul: Ecopsychology and the Healing of Self, Earth and Society. Institute of Transpersonal Psychology, Palo Alto, Feb. 26, 1994. With Arthur Hastings and William Braud.*
- Open mind, discriminating mind. *Butte County Study Group of the Institute of Noetic Sciences, Chico, California, April 21, 1994.*
- What is the intelligence of the body? *Esalen/Institute of Noetic Sciences Invitational Conference on the role of the body in contemplative disciplines and martial arts. Esalen Institute, May 1-6, 1994.*
- Transpersonal experience: The foundation of health. *Menninger Foundation Conference on "The Heart of Healing: Transpersonal Psychology and Health Care Reform." Topeka, Kansas, May 6-8, 1994.*
- Toward waking up. *California Institute of Integral Psychology, San Francisco, California, May 20, 1994.*
- A Bio-Psycho virtual reality: A new way of understanding hypnosis. *Northern California Society of Clinical Hypnosis, Berkeley, California, June 4, 1994.*
- Fears of the paranormal in ourselves and our colleagues: Recognizing them, dealing with them. *Fourth international conference of the International Society for the Study of Subtle Energies and Energy Medicine (ISSSEEM), Boulder, Colorado, June 19, 1994.*
- Who might survive the death of the body? You? Who are "you?" *Institute of Noetic Sciences 3rd annual conference, "The Sacred Source: Life, Death and the Survival of Consciousness, Chicago, July 15-18, 1994.*
- Can there be life before death? *Institute of Noetic Sciences 3rd annual conference, "The Sacred Source: Life, Death and the Survival of Consciousness, Chicago, July 15-18, 1994.*
- Mindfulness. *Gaia Bookstore, Berkeley California, September 21, 1994.*

1995

- On living the mindful life. *East-West Bookstore, Menlo Park, California, January 20, 1995.*
- Things which must be said. *Psychoactive Sacraments Conference, Menlo Park, California, February 18, 1995.*
- Awakening: Paying attention to who you are and what's really happening. *Workshop, Twenty fifth Midwest Conference of the Association for Humanistic Psychology, Indianapolis, March 24, 1995.*
- Awakening from the trance of "normal" consciousness. *Twenty fifth Midwest Conference of the Association for Humanistic Psychology, Indianapolis, March 24, 1995.*
- Toward the objective exploration of non-ordinary reality: The use of parapsychological techniques. *American Philosophical Association (Pacific Division) and Society for the Anthropology of Consciousness, San Francisco, April 1, 1995.*
- Cosmic contact from the perspective of enlightenment. *"When Cosmic Cultures Meet" conference, Human Potential Foundation, Washington DC May 27, 1995.*
- Spirit in action, mindfulness in action: Developing presence and discrimination in everyday life. *Fourteenth International Transpersonal Association Conference, Santa Clara, June 9, 1995.*

- Aspects of enlightenment. *Spirit Rock Center, Fairfax, California, July 31, 1995.*
- Imagination as curse, imagination as blessing: Mindfulness and creativity in everyday life. *Association for Transpersonal Psychology, Asilomar, California, August 4, 1995.*
- Living the mindful life. *New York Open Center, New York City, August 11, 1995.*
- Enlightenment versus the trance of ordinary life *Invited address, American Psychological Association, New York City, August 12, 1995.*
- Steps toward a psychology of the mind. *Invited address, American Psychological Association, New York City, August 1*
- Enlightenment, altered states, endarkenment: What lies beyond ordinary mind? *Invited address, "Beyond the Brain" conference of the Scientific and Medical Network and the Institute of Noetic Sciences, Cambridge University, England, August 27, 1995.*
- Toward waking up: Cultivating mindfulness. *Esalen Institute, Big Sur, California, October 6-8, 1995.*

1996

- Mindfulness in everyday life. *With James Baraz. Spirit Rock Center, Woodacre California, February 24, 1996.*
- Survival of death: Personal, scientific and spiritual reflections. *Marion Foundation, Marion, Massachusetts, March 30, 1996.*
- Scientific foundations and necessity for a transpersonal psychology. *Toward a Science of Consciousness 1996, Tucson II. Tucson, Arizona, April 10, 1996.*
- The importance of parapsychology for a renewal and science of the spiritual. *Fetzer Institute conference on Esoteric Spirituality, Kalamazoo, July 30, 1996.*
- State of the art in transpersonal psychology, 1996. *Invited presentation, Association for Transpersonal Psychology, Asilomar California, August 2, 1996.*
- Out of the body, out of the mind, and then.....Six studies of out-of-the-body experiences. *International Association for Near-Death Studies, Oakland, California, August 9, 1996.*
- Parapsychology as calling and science. *Parapsychological Association 39th annual meeting, San Diego, California, August 18, 1996.*
- Fear of psi among parapsychologists. *Parapsychological Association 39th annual meeting, San Diego, California, August 19, 1996.*
- The full range of consciousness: Toward a pragmatic systems investigation approach. *Fetzer Institute conference on methodologies for the investigation of human consciousness, Kalamazoo, September 4-8, 1996.*
- Remarks on science and Gurdjieff's ideas. *Conference on The Ideas of Gurdjieff. Far West Institute, Dominican College, San Rafael, California, November 16-17, 1996.*

1997

- Why is a real scientist at a meeting of mystics? *Sufi Symposium 97, Fremont, California. March 7, 1997.*
- The "nothing but..." view of consciousness versus scientific support for spiritual values. *State of the World Forum, San Francisco, Nov. 8, 1997.*
- Body, mind and spirit: exploring the parapsychology of spirituality. *Wellnet, World Wide Web broadcast on Pseudo-Net, Dec. 11, 1997.*
- Body, mind and spirit. *Sightings national radio show, Dec. 22, 1997.*

1998

- Altered states and parapsychology courses at UNLV. *AM Nevada, Channel 5, Las Vegas, Jan. 12, 1998.*
- Science and spirituality. *Stardate 2100, KLAS radio, Las Vegas, Jan. 23, 1998.*
- Body mind and spirit. *Connections, KSFR, Santa Fe, 3 May, 2020.*
- Ideas: Haunted house, haunted minds. *Canadian Broadcasting Corporation network, Feb 16 & 17, 1998.*
- Parapsychology and scientism. Changes, with Elizabeth Gips, *KKUP, Cupertino California, February 17, 1998.*
- Body mind spirit: Exploring parapsychology. *The Sally Rigler show, Washington, D.C., February 21, 1998.*
- Mysteries of mind: exploring parapsychology. *UFO Live with Dr. Duncan Brown, Orbit Radio Network, February 22, 1998.*
- How long should the clinician's time perspective be? Scientific reflections on the possible survival of death. *National Institute for the Clinical Application of Behavioral Medicine, La Jolla, California, March 25, 1998.*
- Scientific and clinical aspects of near death experiences. *Psychiatry Department, University of Nevada School of Medicine, Las Vegas, April 15, 1998.*
- Scientific evidence for survival of death? *University of Nevada, Las Vegas, April 15, 1998.*
- Observing the mind. *Pre-conference workshop, Toward A Science of Consciousness III, University of Arizona, Tucson, April 25, 1998.*
- States of consciousness and Western psychology. *Conference on Psychotherapy, Spirituality and the Evolution of Mind, Santa Monica, Center for the Integration of Psychotherapy and Eastern Thought, May 16, 1998. Tape PSH-5, available through Sounds True company (800 333-9185).*
- Scientific data about altered states and the survival of consciousness after death. *Coast-to-Coast AM, with Art Bell, Chancellor Broadcasting Network, June 3, 1998. (Rebroadcast July 2, 1998).*
- Consciousness: What's it all about? *New Dimensions Radio worldwide broadcasts, week of July 27, 1998, various radio stations.*
- State specific sciences and the importance of parapsychology in the reconciliation of science and religion. *Fetzer Institute invitational conference on Spiritual Intelligence, Kalamazoo, July 20-23 1998.*
- Altered states of consciousness - A thirty year perspective. *Invited address, Divisions 12, 17 and 30, American Psychological Association, San Francisco, August 14, 1998.*
- Conversation hour. *Division 30, American Psychological Association, San Francisco, August 14, 1998.*
- Altered states, transpersonal psychology, and whatever it all might mean. *Institute of Transpersonal Psychology, American Psychological Association, San Francisco, August 14, 1998.*
- Transpersonal implications of the internet: enthusiasms and reservations. *Panel, Divisions 8, 24, 32, 36, 46, American Psychological Association, San Francisco, August 18, 1998.*
- Conversation hour: Foundations and future of transpersonal psychology. *Association for Transpersonal Psychology, San Francisco, August 29, 1998.*
- Helping to create transpersonal psychology: 35+ years of dynamic interplay between more and less, extension and delusion. *Transpersonal Psychology Section, British Psychological Society, Birmingham, September 19, 1998.*

Research on the paranormal and spirituality. *Talk City, internet radio, May 3, 2020 at <http://home.talkcity.com/GardenWay/Wellness>.*

Does God exist? Is there life after death? And other age-old questions. Stein Online, *internet radio, <http://www.compuserve.com/cir> or www.steinonline.com. October 16, 1998.*

Aspects of parapsychology. *Brave New World program, KSCO, Santa Cruz CA, October 30, 1998.*

Parapsychology and spirituality. *On the Path program, Talkspot.com, November 22, 1998.*

Parapsychological foundations of the spiritual life. *The 'X' Zone Radio Show, CKTB in St Catharines, Ontario, Canada November 29, 1998.*

1999

Learning to use extrasensory perception. Virtual College, *on Wisdom Radio: <http://www.wisdomradio.com>, April 1, 1999.*

Altered states, parapsychology and essential science. Virtual College, *on Wisdom Radio: <http://www.wisdomradio.com>, April 12, 1999.*

Foundations for treating the spiritual as more than just the psychological. *First biennial international conference on Spirituality, Healing and Health, University of Arizona, Tucson, April 12, 1999.*

Faith and doubt, spirituality and science: Toward a TASTE of reconciliation. *Sufism and Psychology Forum, International Association of Sufism, San Francisco, April 23, 1999.*

Gurdjieffian psychology. Virtual College, *on Wisdom Radio: <http://www.wisdomradio.com>, May 19, 1999.*

Consciousness unlimited. *On Spirit of the Times, Wisdom Radio: <http://www.wisdomradio.com>, August 2, 1999.*

Waking up. *Open Mind, KFNX, North American Broadcasting, Phoenix, AZ, August 7, 1999.*

Scientific foundations for treating the spiritual as more than just illusion. Awakening to Transformation: Emerging Consciousness and the New Economy conference, Institute for Transformative Leadership, Nelson, B.C., Canada. August 19, 1999.

Who might survive? Reflections-in-progress on the nature of ultimate identity. Cambridge University, Cambridge, England. Third Beyond the Brain conference, Scientific and Medical Network, August 20, 1999.

Beyond brain and body: Scientific evidence for afterdeath survival. Minneapolis, Minnesota: Pathways Foundation life death afterdeath conference, October 1, 1999.

Deeper into the evidence: Personal, social and scientific explorations of the evidence for afterdeath survival. Minneapolis, Minnesota: Pathways Foundation life death afterdeath conference, October 1, 1999.

Toward awakening: Cultivating mindfulness. Minneapolis, Minnesota: Pathways Foundation life death afterdeath conference, October 2, 1999.

Spiritual experiences of scientists. Association for Transpersonal Psychology, 1999 Cyber-conference, October 17-23, 1999.

Body, mind, spirit: Exploring the parapsychology of spirituality. Rebroadcast of June 3, 1998 Coast-to-Coast AM Art Bell show on the "Best of Art Bell" nationwide show. November 22, 1999.

2000

Body, mind, spirit: Exploring the parapsychology of spirituality. Rebroadcast of June 3, 1998 Coast-to-Coast AM Art Bell show on the "Best of Art Bell" nationwide show. January 7, 2000.

Altered states of consciousness. Virtual University, on Wisdom Radio: <http://www.wisdomradio.com>, January 26, 2000.

Altered states of consciousness and parapsychology. The national Coast-to-Coast AM Art Bell Show, Chancellor Broadcasting Network, April 11, 2000.

Observing the mind: Basic training in skillful means. University of Arizona, Tucson: 4th Toward A Science of Consciousness conference. April 8, 2000. With Shinzen Young.

The Archives of Scientists' Transcendent Experiences (TASTE). University of Arizona, Tucson: 4th Toward A Science of Consciousness conference. April 13, 2000.

Science and spirit: Bridging the gap with facts rather than fancy. 2000 International Conference of Science and Consciousness, Albuquerque, April 29, 2000.

A taste of mindfulness in real life. 2000 International Conference of Science and Consciousness, Albuquerque, April 30, 2000.

Is meditation some kind of hypnosis? Hypnosis and Healing: Body, Mind and Spirit, conference sponsored by the Northern California Society of Clinical Hypnosis and the Institute of Transpersonal Psychology, Palo Alto, California, May 6-7, 2000.

Charles Tart on remote viewing and new frontiers of the mind. KSUB-AM, St. George, Utah.

Learning to use ESP. Banquet address, International Remote Viewing Association, Mesquite, Nevada, May 26-28, 2000.

Scientists' spiritual experience. The Mischke Broadcast, KSTP, Minneapolis, June 19, 2000.

Why I am proud to be both a scientist and a spiritual seeker. Unitarian Church of Berkeley, Kensington, California, October 29, 2000.

Meditation, spirituality, altered states. Coast-to-Coast AM with Mike Siegel, USA Network, November 14-15, 2000.

Hypnosis and meditation: Differences, similarities, and practical implications for personal and spiritual growth. San Francisco, California. Institute of Noetic Sciences, November 29, 2000.

Imagination. Don and Carla show, web radio (www.donandcarla.net), December 13, 2000.

2001

Mind science: Meditation training for practical people. Trish Frisbee show, WTBQ, Middletown, New York. January 5, 2001.

Insights into consciousness studies. Laura Lee show, Seattle, web radio, March 19, 2001.

The role of science in spiritual inquiry. SEED Open University, Albuquerque, NM, April 20, 2001.

A taste of mindfulness in real life. 2001 International Conference on Science and Consciousness, Albuquerque, NM, April 21, 2001.

Meditation and hypnosis: Similarities, differences and what it means practically. 2001 International Conference on Science and Consciousness, Albuquerque, NM, April 21, 2001.

Mind science: Meditation instruction for practical people. East-West Bookstore, Mountain View, California, April 27, 2001.

- Bridging science and spirituality: Mind science.* Integral Transformation Practice group, Mill Valley, California, May 30, 2001.
- Meditation for everyone.* Michael Toms, Spirit of the Times broadcast, Wisdom Radio, June 4, 2001.
- What good is meditation and mindfulness?* The Quest, with Peter Weissbach, July 3, 2001, nationwide stations.
